

Customized Inhouse language Training: German, English, Chinese

All of our clients are from German companies and we are very experienced in the design and delivery of trainings especially for German companies in China.

We can customize all our language training according to your individual needs. We always ensure that our trainers have a rich practical background, not just as teachers, but also in a profession relating to the content of the course. Not only have all trainers' got a first class education from China and abroad, they are also required to have work-experience from international companies.

The categories for the language courses are specified as below:
